

# Improvement Project

## Phase 2: Spring 2009 – Fall 2010

Maryland  
Transportation  
Authority

- New ramps for the MD 24 at MD 924/Tollgate Road interchange will be completed
- Construction begins on the northbound MD 24 bridge over MD 924/Tollgate Road
- The new ramp from southbound MD 24 to southbound I-95 will be completed (Not shown)
- Construction to widen the MD 24 bridge over I-95 begins (Not shown)

### What should drivers expect?

- The existing intersection of MD 24 at MD 924/Tollgate Road will be changed into two temporary intersections with traffic signals to facilitate bridge construction
- The two temporary traffic signals may cause additional delays

Martin O'Malley, Governor  
Anthony G. Brown, Lt. Governor
